Dear Sirs

## MEMBERSHIP CERTIFICATE: MEMBER NO. 32202

We are pleased to advise that you have passed your Health & Safety grading and therefore your membership status has been upgraded from an Ordinary member to a Full member.

As a Full member, you have certain obligations and there are standards which you are required to uphold in order to maintain the reputation of the Association and its members. For ease attached is an extract from our Constitution which sets out how we operate and what is expected of you in terms of our **Code of Conduct** and the **Qualifying Criteria for Full Members**. A copy of our full Constitution can be downloaded off our website [www.masterbuilders.co.za](http://www.masterbuilders.co.za).

We are greatly enhancing the way in which we promote you to potential clients and the public. We need to ensure that your profile is optimised for our **Find-A-Builder** referral tool and one of our officials will be contacting you, if they have already not done so, to assist with your categorisation on the tool, as well as to formulate your own dedicated marketing profile on our website.

Enclosed are four Association decals and your Full Membership Certificate, which we trust you will display in a prominent position on your premises as proof of membership. You may also display our logo on your stationery and promotional material. Please contact Tanya on [Tanya@masterbuilders.co.za](mailto:Tanya@masterbuilders.co.za) for further information regarding our logo usage policy.

Please feel free to contact us if you feel we can assist you in any way.

Yours faithfully,

Bruce Lyle  
Membership Services Manager
